The following tender was deliberated on;

- Proposal for Tender No. 21(18-19) - Work of renovation, erection, conversion re-alignment & improvement of voltage under SC/ST category in V.P. Mardol, Veling, Priol in Ponda Constituency. (Quoted amount ₹.213.67 lakhs)—3.55% below estimated cost.

The Goa State Works Board held a meeting on 04/07/2019 at 11:15 hrs in the Chamber of the Chief Secretary, Government of Goa for deliberation of the proposal put up by the Department as per above cited subject.

Accordingly, the Chief Electrical Engineer has informed that the total cost of the estimate put to tender was Rs.2,21,54,489.00 inclusive of 12% GST and less credit towards removed material cost. Accordingly, the Department has prepared the NIT for the works involved and floated the tender on the e-tender website on 21/09/2018. The tender was also published in two local dailies and one National daily. The online request

for the tender document was scheduled up to 09/10/2018. In response to the online tender, only four agencies who were eligible, purchased the tender set online. The date of opening of the Techno-Commercial bids was scheduled for 30/10/2018. However, due to no response from the agencies, the date of opening was postponed 8 times for allowing more time for wider scope for participation and sufficient time for the bidders. The technical bid was therefore, opened on 12/03/2019. Out of the 4 agencies only one agency participated in the tender. However, on scrutiny and evaluation of the single bid, it was noticed that there were shortfalls with respect to submission of supportive documents and hence, the single bidder was technically not at par with the requirements as per conditions and specifications of the tender document. The bidder was accordingly, intimated to comply with the requirements, in order to be at par with the General Technical Specifications (GTP) of the tender. However, within the given timeframe provided, the single bidder complied with the GTP requirements and hence, was eligible for opening the financial bid.

The financial bid of the single eligible bidder was opened on 17/05/2019.

The standing of the single bidder is as follows:--

Sr. No.	Name of the Bidder	Quoted Amount (Rs.)	% variation with estimated cost
1	M/s Installation Services, Mapusa	2,13,67,106.00	03.55 below

After scrutiny and evaluation of the financial bid by the Department, the single and eligible bidder recommended is M/s Installation Services, Mapusa with an overall quoted amount variation of 03.55% below, inclusive of 12% GST and less credit towards dismantled materials; the above table may be referred to.

The Members queried on whether the single bidder had taken up works of the Department in the past, for which the Chief Electrical Engineer informed that similar works were taken up by the bidder at various locations and are completed as on date.

The Members took the note of above facts and have agreed to accept the quote of the single bidder M/s Installation Services, Mapusa for an overall amount of Rs.2,13,67,106.00 with a variation of 03.55% below the estimate cost put to tender.
