**MINUTES OF THE MEETING OF THE GOA STATE WORKS BOARD
(G.S.W.B.) HELD IN THE CONFERENCE ROOM OF THE CHIEF
SECRETARY ON 29th August 2019.**

A meeting of the Goa State Works Board was held in the Conference Room of the Chief Secretary on 29/08/2019.

The following members were present for the meeting:

- | | | |
|----|---|----------|
| 1. | Shri. Parimal Rai
Chief Secretary | Chairman |
| 2. | Shri. Daulat A Hawaldar
Secretary (Finance) | Member |
| 3. | Shri. Sunil Masurkar
Addl. Secretary (Fin-Exp) | Member |
| 4. | Shri. Reshma Mathew
Chief Electrical Engineer | Member |

The following tender was deliberated on;

- **Proposal for Tender No. 7(19-20) – Supply of LED Streetlight fixtures and CCMS panels. (Quoted amount ₹.3038.00 lakhs)— 14.16% below estimated cost.**

The Goa State Works Board held a meeting on 29/08/2019 at 16:45 hrs in the Chamber of the Chief Secretary, Government of Goa for deliberation of the proposal put up by the Department as per above cited subject.

Accordingly, the Chief Electrical Engineer has informed that the total cost of the estimate put to tender was Rs.35,39,21,059.00 inclusive of 18% GST. Accordingly, the Department has prepared the NIT for the supply involved and floated the tender on the e-tender website on 17/07/2019. The tender was also published in two local dailies and one National daily. The online request for the tender document was scheduled up to 25/07/2019. In response to the online tender, only eleven agencies who were eligible, purchased the tender set online. The date of opening of the Techno-Commercial bid was scheduled for 31/07/2019. However, due to very poor response from the agencies, the date of opening was postponed once for allowing more time for wider scope for participation and sufficient time for the bidders. The technical bid was therefore, opened on 16/08/2019. Out of the 11 agencies only 3 agencies participated in the tender.

However, on scrutiny and evaluation of their bids, it was noticed that there were shortfalls with respect to submission of supportive documents and hence, the bids were technically not at par with the requirements as per conditions and specifications of the tender document. Consequently, the bidders were accordingly, intimated to comply with the requirements, in order to be at par with the General Technical Specifications (GTP) of the tender. However, within the given timeframe provided to them, only one bidder complied with the GTP requirements and hence, was eligible for opening the financial bid.

The financial bid of the single eligible bidder was opened on 22/08/2019.

The standing of the single bidder is as follows:--

Sr. No.	Name of the Bidder	Quoted Amount (Rs.)	% variation with estimated cost
1	M/s Inled Technologies LLP	30,38,00,103.50	14.16 below

After scrutiny and evaluation of the financial bid by the Department, the lowest and eligible bidder recommended is M/s Inled Technologies LLP with an overall quoted amount variation of 14.16% below, inclusive of 18% GST; the above table may be referred to.

The Members queried on the areas that would be covered for installation of these new LED fixtures for which the Chief Electrical Engineer informed that these LED fixtures would be installed in locations which were not covered in the last LED replacement work awarded to M/s BVG through EESL and is also for locations where new power line works were taken up and completed. The Members also queried on the rate quoted in comparison with the rate quoted in the earlier scheme by BVG via EESL award and it was informed that the rate quoted in this present tender is very reasonable and in line with the present market rates in view of the drop in prices of the LED fixtures over the period of 7 years, since the scheme was taken up. In this present scheme, the Department would engage its own logistics to install the LED fixtures in the locations proposed.

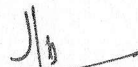

11.

11/c

The Members took the note of above facts and have agreed to accept the quote of M/s Inled Technologies LLP for an overall amount of Rs.30,38,00,103.00 with a variation of 14.16% below the estimate cost put to tender.
