| 5. | Shri. Reshma Mathew<br>Chief Electrical Engineer       | Member   |

The following tender was deliberated on;

- **Proposal for Tender No. 24(18-19) - Work of Renovation & Improvement of HT/LT lines, transformer centres, enhancement of transformer, new transformer centres under the jurisdiction of Section Office, Shiroda. (Quoted amount ₹.452.63 lakhs)— 4.30% above estimated cost.**

The Goa State Works Board held a meeting on 04/07/2019 at 11:15 hrs in the Chamber of the Chief Secretary, Government of Goa for deliberation of the proposal put up by the Department as per above cited subject.

Accordingly, the Chief Electrical Engineer has informed that the total cost of the estimate put to tender was Rs.4,33,97,130.00 inclusive of 12% GST. Accordingly, the Department has prepared the NIT for the works involved and floated the tender on the e-tender website on 12/11/2018. The tender was also published in two local dailies and one National daily. The online request for the tender document was scheduled up to 26/11/2018. In response to the online tender, only two agencies who were eligible, purchased the tender set online. The date of opening of the Techno-Commercial bid was scheduled for 13/12/2018. However, due to no response from the agencies, the date of

17/c

opening was postponed 4 times for allowing more time for wider scope for participation and sufficient time for the bidders. The technical bid was therefore, opened on 01/03/2019. Both the agencies participated in the tender. However, on scrutiny and evaluation of the bids, it was noticed that there were shortfalls with respect to submission of supportive documents and hence, both bidders were technically not at par with the requirements as per conditions and specifications of the tender document. The bidders were accordingly, intimated to comply with the requirements, in order to be at par with the General Technical Specifications (GTP) of the tender. However, within the given timeframe provided, only one bidder complied with the GTP requirements and hence, was eligible for opening the financial bid.

The financial bid of the single eligible bidder was opened on 09/05/2019.

The standing of the single bidder is as follows:--

Sr. No.	Name of the Bidder	Quoted Amount (Rs.)	% variation with estimated cost
1	M/s Manipal Energy & Infratech Ltd., Manipal	4,52,63,083.00	04.30 above

After scrutiny and evaluation of the financial bid by the Department, the single and eligible bidder recommended is M/s Manipal Energy & Infratech Ltd., Manipal with an overall quoted amount variation of 04.30% above, inclusive of 12% GST; the above table may be referred to. The Chief Electrical Engineer informed that the work would involve additional financial implication with regard to Third Party Inspection Charges to the extent of 0.55% on the overall quoted/ accepted amount.

The Members directed the Department to call for negotiations in the quoted rates of the single eligible bidder in order that the item wise quoted rates are within reasonable limits. They have instructed to incorporate the outcome of the negotiations in these minutes, which through circulation, the GSWB would take a decision, accordingly.

Accordingly, on directions of the GSWB, the Chief Electrical Engineer called on the single eligible bidder to reassess their bid amount. The Bidder in response, offered a discount on their overall quoted amount, which after consideration, works out to Rs.4,51,33,015.00 (inclusive of 12% GST) which now is with a variation of 4.00%

J/b

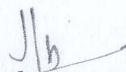

above, the estimated cost put to tender i.e. Rs.4,33,97,130.00 (inclusive of 12% GST). The copy of the letter dated 9/7/2019, along with the relevant enclosures duly endorsed, received from the bidder is annexed to the minutes at Annexure I (6 pages).

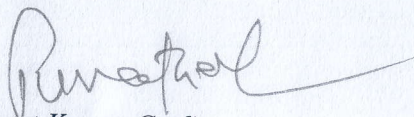

The Members took the note of above facts and have agreed to accept the revised quote of M/s Manipal Energy & Infratech Ltd., Manipal for an overall amount of Rs.4,51,33,015.00 with a variation of 4.00% above the estimate cost put to tender.
